## About Me

I am a creative and detail-oriented web designer with a passion for crafting visually stunning and user-friendly websites. With expertise in responsive design, UI/UX principles, and modern web technologies, I deliver solutions that combine aesthetics with functionality. My strong foundation in HTML, CSS, and JavaScript is complemented by proficiency in design tools such as Figma and Adobe XD. I thrive in collaborative environments, turning concepts into engaging digital experiences.

## Work Experience

- **Web Designer**

PixelCraft Studio, 2021 – Present

- Designed and launched 20+ responsive websites for clients in retail, healthcare, and education.
- Collaborated with developers to optimize website performance and accessibility.
- Created wireframes and prototypes using Figma, enhancing client approval rates by 30%.

- **Junior Web Designer**

CreativeEdge Agency, 2019 – 2021

- Assisted in designing e-commerce platforms, leading to a 15% increase in customer engagement.
- Maintained and updated company website content and design.
